MEMORANDUM FOR: Mr. Joseph C. Goodwin, Assistant to the Director

SUBJECT : Request for Lecture Materials from Col. Franz H. Ross, Sr., USA (Ret.)

1. You may recall [redacted] Col. Ross (former Commanding Officer of the 513th MI Group in Germany), [redacted] requested me to provide him with appropriate unclassified material on the Agency [redacted] for a lecture at the Port Charlotte University Adult classes. You were kind enough to pull this material together and the results were most gratifying as I reported to you (my memorandum of 14 March 1967).

2. Apparently as a result of our response to Col. Ross at that time, he has again addressed me for some help in preparing another set of lectures. While it is flattering to be thought of in the terms in which Col. Ross expresses himself, I have doubts that this request is really within 'our bailiwick.' I leave that judgement up to you and if it is not as I suspect, I would appreciate some information on other organizations from which Col. Ross could obtain the material he desires.

3. For your ease of handling this matter, I have attached a copy of Col. Ross' letter to me and I would appreciate your early reply.
